## **II. BACKGROUND**

6. Mercy Hospital Iowa City Iowa is the Plan Sponsor of the Mercy Hospital, Iowa City, Iowa Employees' Pension Plan (the “Plan”). The Plan has approximately 1,035 Participants and is a qualified defined benefit Church Plan, not subject to the Employee Income and Retirement Security Act of 1974 (“ERISA”). As the Plan is not subject to ERISA, it is not covered by the Pension Benefit Guarantee Corporation. Currently, the Plan has approximately \$118 Million in assets available to Plan Participants. As of June 30, 2023, the Plan Benefit Obligations exceeded Plan assets by approximately \$23 million, indicating that the Plan was significantly underfunded.
7. On August 7, 2023, (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the United States Bankruptcy

Court for the Northern District of Iowa (the “Court”) commencing these bankruptcy cases. The Bankruptcy filings presents a material change in circumstances to the Plan as, it is anticipated that as of the Effective Date of any Plan of Liquidation, Mercy Hospital Iowa City Iowa (“Mercy Hospital”) will not be available to be Plan Sponsor, nor will there be any anticipated future funding of the Plan from the Plan Sponsor, and as a result, the Plan may have to amended or modified to ensure Plan Participants can rely on a portion of the benefits they expected to receive as part of their compensation for years of service to Mercy Hospital.

8. On October 18, 2023, counsel for the Mercy Pensioners Ad-Hoc Committee filed a Motion to Establish an Official Committee of Pensioners Under 11 U.S.C. § 1102 (a)(2). A hearing on the Motion was held October 27, 2023, and said Motion was granted November 3, 2023.
9. Effective January 31, 2024, substantially all of the Debtor’s Hospital operations and certain assets were sold to the University of Iowa.
10. On February 23, 2024, Mercy Hospital, Iowa City, Iowa and certain of its affiliates and subsidiaries (collectively, the “Debtors”) filed the *Debtors’ Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation*.
11. On March 29, 2024, the Debtors filed the *First Amended Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation*. *The Confirmation Hearing is Scheduled for May 16, 2024.*

13. On January 30, 1996, the Executive Office for the United States Pensioners' Committees issued and adopted the United States Guidelines for Receiving Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. Sec. 330 (the "EOUST"). The EOUST Guidelines govern the preparation and filing of applications for compensation of professionals and reimbursement of expenses for all cases commenced on or after the effective date of the Bankruptcy Reform Act of 1994, October 22, 1994.
14. This Fifth Interim Application has been prepared in accordance both the EOUST Guidelines and the Northern District Guidelines, and a certification regarding compliance is submitted herewith.
15. This Fifth Interim Application is made by HBM pursuant to Sections 330 and 331 of the Bankruptcy Code for an allowance and award of compensation for services rendered in the amount of \$23,587.50 and reimbursement of expenses incurred in the amount of \$2,545.12. Applicant requests approval for payment of 80% of the Fees sought totaling \$18,870.80 and 100% of the Expenses sought totaling \$2,545.12. Applicant will seek approval of the 20% Holdback upon final application to the Court.
16. All of the services for which allowance of compensation is sought were rendered at the direction of the Pensioners' Committee for the benefit of the Plan Participants and the Debtors' Estates in connection with this case and not on behalf of any other person or party-in-interest.

17. The services rendered by HBM during the Fifth Interim Compensation Period for Services Provided to the Pensioners' Committee required an aggregate expenditure of 58.00 hours of professional time in the performance of services rendered on behalf of the Debtors **(See Exhibits A and B)**.
18. HBM also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendition of professional services. HBM incurred actual and necessary out-of-pocket expenses properly posted to this matter during the Fifth Interim Compensation Period for Services Provided to the Pensioners' Committee in the aggregate sum of \$2,545.12 **(See Exhibit C)**.
19. Applicant charges its non-bankruptcy clients for similar services performed by all such professionals and paraprofessionals at the same rates listed in the summary submitted herewith.
20. No agreement or understanding exists between HBM and any other entity for the sharing of compensation to be received for services rendered in or in connection with this case.

#### **V. FINANCIAL STATUS OF THE CASE**

21. As of April 28, 2024, the Debtor had approximately \$26 Million of cash on hand.

#### **VI. EVALUATION OF THE FAIR AND REASONABLE VALUE OF APPLICANT'S SERVICES**

22. Section 330 of the Bankruptcy Code provides the statutory authority for compensating the services and reimbursing the expenses of professionals of the

courts. Section 330 (a)(1) provides for reasonable compensation for actual, necessary services rendered. Section 330 (a)(3) states that the amount of such compensation is to be based on the nature, extent and value of the services, taking into account relevant factors including, without limitation, the time spent rendering the services, the necessity or benefit of the services, and the cost of comparable services other than in bankruptcy cases. Section 330(a) (4)(A) sets forth various services for which the court may not allow compensation, including (among) other services not reasonably likely to benefit the Estate. The relevant portion of section 330 (a) of the Bankruptcy Code is as follows:

(3) (A) in determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including:

- (i) The time spent on such services;
- (ii) The rates charged for such services;
- (iii) Whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion, of a case under this title;
- (iv) Whether the services were performed within a reasonable amount of time commensurate with the complexity and nature of the problem, issue, or task addressed; and
- (v) Whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than a case under this title.

(4) (A) Except as provided in subparagraph (B), the court shall not allow compensation for:

(vi) Unnecessary duplication of services; or

(vii) Services that were not:

i. Reasonably likely to benefit the debtors' estate; or

ii. Necessary to the administration of the case.

23. The Applicant was selected by the Pensioners Committee as a result of its extensive experience in: (a) serving as Financial Advisor for the Debtors, Chief Restructuring Officer and Accountant for the Official Committee of Unsecured Creditor and other Parties in Interest involved in numerous bankruptcy cases, (b) bankruptcy and reorganization consulting, (c) fraud auditing and investigation and forensic accounting matters, (d) valuation of businesses and assets, (e) the litigation and dispute resolution process, and (f) sales of businesses, property and other assets.

24. The rates charged by the Applicant are competitive with those of other similarly situated firms. Applicant's billing rates have been found to be reasonable in other bankruptcy cases where Applicant has submitted applications for compensation.

25. The professional services performed by the Applicant and the resulting benefit to the Estate and the Pension Committee during the Fifth Interim Compensation Period justify the Fifth allowance for compensation in the amount requested. In view of the policy underlying sections 330 and 331 of the Bankruptcy Code that professionals in bankruptcy cases be compensated on a parity with professionals practicing in other fields, the Fifth Interim allowance for compensation should be awarded as requested. The Applicant submits that the fees and expenses sought herein are not unusual to

the awards it has received in other Chapter 11 cases and in other commercial cases serviced by the Applicant.

26. As is demonstrated above, an application of the foregoing criteria more than justifies the compensation requested by HBM at this time.

27. HBM respectfully submits that the professional services rendered to the Pensioners' Committee during the Fifth Interim Compensation Period were reasonable and necessary, and conferred a substantial benefit on the Estate and its creditors. HBM believes that allowance in full of the compensation for services and reimbursement of expenses requested herein is fair, reasonable, appropriate and fully justified.

WHEREFORE, HBM respectfully requests that this Court enter an order:

28. The undersigned represents to the Court that services and expense advancements provided during the Fifth Interim Compensation Period were ordinary and necessary for a case of the nature and complexity of the case and no work was excessive or detrimental to the estate.
29. Applicant requests that the Court approve the allowance requested in this Fifth Interim Application and authorize the Debtors to pay said allowance from available funds on-hand.
30. WHEREFORE, Applicant requests that the Court, pursuant to 11 U.S.C. Section 331, enter appropriate orders awarding compensation for services rendered, subject to a 20% holdback and 100% of expenses advanced, aggregating \$21,415.12 for the Fifth Interim Compensation Period and authorize the Debtors to pay that amount.
